

acusend™ Advanced Administrators

acusend™ has been created as a solution to the complex challenge of consolidating disparate sources and managing information flows. Thanks to acusend™, companies can manage and control the personalised distribution of all forms of business information to a broad community of recipients, using a range of devices. The aim of this course is to introduce advanced techniques within acusend™ for managing information distribution.

On completion, delegates will be able to:

Use the advanced software tools of acusend™ to control information distribution at a more sophisticated level.

Who should attend?

This course is aimed at an audience of people who are already responsible for information management using acusend™, and who wish to learn how to use the additional functionality of the product set.

Prerequisites

Delegates attending this course should have attended the introductory course, 'acusend™ Administrator Course', and used the majority of the functionality described on that course on a day-to-day basis for at least one month.

Course Duration

2 days

Practical work

Practical sessions will reinforce many of the topics covered and are used extensively throughout this course. These allow delegates to have direct hands-on practice using acusend™ to control information distribution.

Related and Follow-On Courses

- acusend Administrators (1 day)

Course Contents

- Recap of the introductory course
- Use of Trigger Documents
- Standard and Advanced Event Triggers
- User Roles
- Using AcuQuery™ for direct database interrogation
- Advanced techniques in Schedules and Timetables
- Re-Query functionality in the acusend™ Portal.

Acuma Education

All Acuma courses are delivered by trainers who are highly experienced consultant practitioners. This rich project experience coupled with professional training skills helps delegates to focus on how the course contents can be put into practice in their workplace.

Acuma delivers courses from dedicated training facilities in Manchester, Birmingham and London, but also deliver training offsite using suites of laptops, with the option to customise courses to use your own business data and tailored to your exact training needs. The most appropriate training format depends upon your training objectives, number of learners, timescales, budgets and delivery logistics. Whatever your needs, Acuma will find the approach most suited to them.

Acuma Education's seal of quality is demonstrated through consistent achievement of the prestigious "Gold Standard" from the IITT (Institute of IT Trainers).
